January 2014

Brother Knights,

The tree sales is over. Once again we did well during it. Thanks so very much for the time and effort you put into it. It was another success. That goes a long way toward our being able to do the good works that we do.

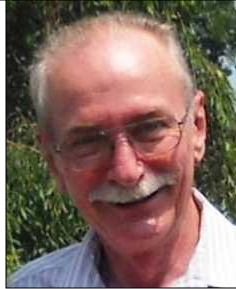

I hope all of you had a very Merry Christmas and a Happy New year. I know I enjoyed the time I got to spend with family and friends. That's about the only time some of us can get together.

Please don't forget to bring the accounting of the time you have donated to doing the Knights work to the next meeting. The report has to go to Supreme by the end of the month. It is important to them as well as it is to us.

And don't forget to invite other good men to join the Knights as well. We always need new members. Remember more hands make for less work. And I would like to see more faces at the meeting with new ideas.

Vivat Jesus

Field Agent's Report—2014 Long Term Care Facts

1. About 70 percent of Americans over age 65 will require some type of long-term care services during their lifetime.¹ (So the question becomes *when* and *not if!*)
2. 3.9 years - Average length of long-term care claim lasting longer than one year.²
3. 42 percent of the 13 million people receiving long-term care services are between the ages of 18 and 64.³
4. Four to eight years - Average life expectancy after Alzheimer's diagnosis after age 65.⁴
5. Alzheimer's is leading cause of claim from age 65. Cancer is leading cause of claim below age 65.⁵
6. Where new claims began in 2012⁵:
 - 51 percent - Home care;
 - 18.5 percent - Assisted living;
 - 30.5 percent - Nursing home. (My conclusion - Almost 70 percent of claimants receive benefits outside of a nursing home.)
7. Age 79 - Average attained age at commencement of claim.⁵
8. Average length of stays:
 - Assisted living facility claims - 958 days (2.6 years).
 - Nursing home and home health care - about 700 days (1.9 years).
9. For the three-year benefit period, only eight in 100 claimants exhausted their policies.⁵
10. New claims that opened in 2012 by sex⁵:
 - 67 percent - Female.
 - 33 percent - Male.
11. Statistics from the 3in4 Need More Campaign⁶:
12.
 - 74 percent of consumers ages 55 to 65 said they are concerned about needing long-term care.⁶
 - 77 percent of Americans age 30 to 65 think they should know more about long-term care insurance than they currently do.⁶
