Notes from the Pastor

Please remember in prayer the two Sisters who were murdered in Mississippi. One of the Sisters killed, Sister Paula, belonged to the Sisters of Charity of Nazareth of which Sister Wilma is a member. The other victim was Sister Margaret Held of the School Sisters of St. Francis. May they rest in Peace.

Because of the storm that blew through here last Sunday evening we have experienced some major inconveniences. Our bell tower was struck by lightning (while I was offering a private Mass in the Church) which affected our bells, the workings of the organ, the phone system, internet, email capabilities, and the elevator, none of which are working properly or at all as I write this. Hopefully, by Sunday, things will be back in good working order.

Today we are celebrating the Canonization of Mother Teresa of Calcutta. Let us commend our prayers of petition and thanksgiving on this special occasion in our Church's history. Her life was one of humble service to God's children. Her example of living the Christ Life should ever remain in our minds, hearts and life.

This last week I took a train trip on the Pacific Coast that included the opportunity to both hear and play historic pipe organs.

The Lord be with you!

Father Kevin F. Lutz

From the cat at 684 South Third:

I'm sure most of you don't keep up with the news of the cat world, but recently a distant cousin of mine, a retired zoo lion who lives on an animal preserve on the Florida coast, was in the news. By the way, my cousin is a very important lion: he was the Official State Lion of Florida until his retirement. Well, it turns out that one of the researchers there was trying to find out which food would be most beneficial to an animal's long life and so he experimented for years. One of the most interesting discoveries he made had to do with dolphins. The food most beneficial to them was seagulls. If they ate a steady diet of them the dolphins were virtually immortal. The other day the researcher was carrying the food in for the dolphins and he stepped across my cousin who was rightfully sleeping in the doorway. Immediately the researcher was arrested! He was charged with transporting gulls across a State Lion for immortal porpoises!!

In dangers, in doubts, in difficulties, think of Mary, call upon Mary. Let not her name depart from your lips, never suffer it to leave your heart. And that you may more surely obtain the assistance of her prayer, neglect not to walk in her footsteps. With her for guide, you shall never go astray; while invoking her, you shall never lose heart; so long as she is in your mind, you are safe from deception; while she holds your hand, you cannot fall; under her protection you have nothing to fear; if she walks before you, you shall not grow weary; if she shows you favor, you shall reach the goal" (St. Bernard).
