Notes from the Pastor

In your charity, please remember in prayers Christopher and Lauren Thompson, members of St. Mary Church, who lost their prematurely born son Jacob late last week. Jacob was baptized prior to his death. Our faith speaks to us of the glory this little saint is enjoying in the presence of the Father, Son and Holy Spirit. The Funeral was held this past Friday at St. Leo Church.

It's good to be back!!!!

The pilgrimage in Spain was a very exhausting and prayerful time. I spent many hours a day walking on the road and did my best to recall every good intention for which I've been asked to pray. A sad aspect of the Camino was the number of closed churches along the way. Most of these churches were 1000 years old, built of stone and all without a priest. It was sad, too, to see that traditionally Catholic Spain has lost much of its identity. Pray for vocations.

St. Mary's is facing a great challenge. Anything that can be built can be fixed. The next couple of weeks you'll be getting photos and reports on some of our issues with the St. Mary church building. There will be also a list of recommendations on how to fix these problems. I'm inspired by the words of scripture, "The greater glory of the temple will be greater than the former." Someday, our efforts will become a small paragraph in a future jubilee book when they recall that we had to put a new ceiling and roof on the church. We will soon learn the details of our duty. Let's rise to the task and be done with it in great efficiency and speed.

The Lord be with you!
Father Kevin F. Lutz

From the Cat at 684 South Third Street:

I hear the church is facing some issues.
I hear the squirrels are part of this with the damage in the attic. Those twitchy creatures bug me!

St. Mary Catholic Church Columbus, Ohio

I miss hearing the bells ring, because they remind me of my meal and nap times, but for right now, the engineer thinks it is best we don't swing them. I'll have to rely on my natural instincts to get my three meals and 18 hours of sleep. I'm glad I'm equal to the task.
