Notes from the Pastor

As of Wednesday I'm still awaiting the engineer's report. I hear the talk of engineers and the talk is interesting, but inconclusive. I am awaiting the final report. Once the report is in front of the bishop, recommendations will be made.

Please dispel the following roomers if you hear them---"The church is being torn down", "The parish is being closed", "Elvis is joining the contemporary choir". None of these are true--although we've heard that Elvis Flinblat is trying out for the choir.

I promised answers in the bulletin to very pertinent questions, but cannot answer until more information comes my way.

The Lord be with you!

Father Kevin Lutz

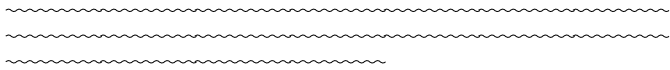

From the Cat at 684 South Third Street:

I'm 133 years old in cat years and I must honestly say I'm falling apart. So I'm sympathetic to the news of St. Mary Church which is 148 (in people years) and is falling apart too.

I heard someone whisper last January "I wonder if there will be a volume 3 to the Cat Book. Raphael looks a bit long in the tooth." Well, it's ten months later and I'm still doing quite well. The real question is will there be a Volume 4 and Volume 5! According to the vet I have good bones. As I look at St. Mary Church, I think it has good bones too. Hang in there with your church! As a cat, I should not have to remind you of these things.

Here are a few in the list of "olds" regarded as very precious: Old people, old memories, old friendships, old trees, old recipes, old letters, (I suppose I should also say--old priests) and lots of other old things that we quickly throw away. The word old seems to be regarded as a curse. People and things that have been around for a long time should be accorded the great esteem they deserve.
